MEMORANDUM FOR: Assistant Deputy Director for Training
Defense Intelligence Agency

SUBJECT: Deception Analysis Course

1. The Office of Training and Education will be pleased to collaborate with DIA in conducting a special running of the Deception Analysis Course for DoD intelligence analysts, thereby reducing the backlog of applicants who need this training.

2. It is our understanding that this special running will take place on 16 - 24 July in a facility furnished by DIA; that [redacted] of OTE will serve as Course Director; and that the class will consist of 20 - 25 students provided by DIA. Also, it has been customary in the Deception Analysis Course to have a senior official attend the briefings by the students on their final projects. We would like to continue this practice and would appreciate DIA's arranging for a senior DIA official with an interest in deception issues to hear and comment on the briefings on Friday morning, 24 July.

STAT

3. The Deception Analysis Course has been highly successful due in large part to DIA's strong support, for which we are grateful. We, therefore, deem it a privilege to offer DIA this special running, and we look forward to working together to present a first-class product.
